ITOC and TACC workshop descriptions available soon

The 2015 General Assembly & Workshops will take place on Saturday, 4 July in Hannover, Germany in the Runder Saal of the Hannover Congress Center [www.hcc.de](http://www.hcc.de)

Address:
Hannover Congress Centre
Theodor-Heuss-Platz 1-3
30175 Hannover, Germany
Phone: +49 511 8113-0

Held as part of the General Assembly, ICSTI will present two workshops organized by the Information Trends and Opportunities Committee ([ITOC](#)) and the Technical Activities Coordinating Committee ([TACC](#)). **Both workshops will be open to non-ICSTI delegates** and will provide an opportunity to network and hear from a panel of prominent experts on topics related to the generic themes of **Innovation and Open Science**.

You are warmly invited to join debates!
